FOSTER FAMILY GUIDELINES

Welcome... and thank you for participating in our Foster Program.

The Animal C.A.R.E. Foundation (ACF) is in constant need of individuals or families who are willing to open their homes and hearts to provide a safe, loving and nurturing environment for its rescued dogs and cats. Although the ACF maintains ownership of the animals, foster parents are responsible for the health and well being of the foster animals in their care. Foster parenting for a homeless animal is an extremely rewarding experience.

In an effort to ensure the success of the program and safety of our precious animals, we have written some important guidelines with the best intentions toward the welfare of the animals in foster care. **Please read and initial.**

_____ All foster animals remain the responsibility and possession of ACF until formally adopted. A foster animal may not be transferred to a new guardian or foster home without approval of ACF. The foster animal shall be returned to ACF upon request, or if the foster parent/family is not able to adequately care for the animal.

_____ The foster family must coordinate with the Foster Program Coordinator before any animal receives any medical care, as authorized by the ACF Board of Directors.

_____ The ACF has identified certain local veterinarians to provide approved medical services for its pets. In the event that the foster family needs to take the pet to the veterinarian, the ACF will be financially responsible for the pre-approved care.

_____ Foster dog(s) MUST be on a leash or enclosed within a fence adequate for the animal or in a home at all times.

_____ The foster family agrees to provide basic needs such as adequate food, water, socialization, exercise and medical assistance/medications prescribed by vet. When food assistance is needed, the ACF will provide food upon request for the foster animal.

_____ The foster family understands that the ACF may not know the disposition or temperament of the pet and it cannot predict how it will react in all situations. The foster family understands that they should take all reasonable precautions to ensure that the pet does not harm itself, other pets or people and ensures that they do not destroy property. The use of crates, leashes and common sense should be used to prevent harm.

_____ Foster pets can display unpredictable behavior; we ask that you use caution when introducing the foster pet to other animals in the home. The foster family should also use caution with foster animals around children. Never leave the foster animal alone with a child or family pet. Use a crate or kennel to protect animal even after a period of time.

_____ Like many stray animals, your foster dog may not be house trained or may chew on furniture, clothing or other objects. Your foster cat may not be litter trained or may scratch furniture, clothing or other objects. As a foster family, you will be responsible for teaching the foster animal to be a well-behaved family pet. The ACF shall not be held responsible for damage to personal property.

_____ In the event that the foster family desires to adopt the pet, the foster family must complete an adoption application and pay the requested adoption fee.

_____ The foster family should make certain that all pets in the household are up to date on vaccines prior to agreeing to foster a pet from the ACF. (distemper/parvo, bordetella, rabie)

THE FOSTER FAMILY DOES HEREBY RELEASE, DISCHARGE AND HOLD HARMLESS THE ANIMAL C.A.R.E. FOUNDATION AND ANY PERSON, FIRM OR CORPORATION CHARGED OR CHARGEABLE WITH LIABILITY TOGETHER WITH THEIR HEIRS, ADMINISTRATORS, EXECUTORS, SUCCESSORS AND ASSIGNS FROM ANY AND ALL CLAIMS, DAMAGES, COSTS, EXPENSES, LOSS OF SERVICES, ACTIONS OR CAUSES OF ACTION, WHETHER KNOWN OR UNKNOWN, BELONGING TO THE FOSTER FAMILY DUE TO ANY ACTION OR OCCURRENCE ARISING OUT OF OR IN CONNECTION WITH THE FOSTERING OF A PET FOR THE ANIMAL C.A.R.E. FOUNDATION..

BY SUBMITTING A FOSTER HOME APPLICATION YOU HAVE ACKNOWLEDGED YOUR AGREEMENT TO THE FOREGOING TERMS AND CONDITIONS.
